**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fiber competition is important. We need choice of service. Competition insures better service and better prices. Please think of us--not just the big corps. Please be diligent. We need a full menu to select from. Big companies already dominate market. Please take the long view when making your revision. Millions of us depend on your decision.
